SEMEZA BIOGRAPHIES

Semeza Biographies is the brand behind our social, safari and destination videography, photography and sound / public address engagements. We value life's most significant celebrations and expeditions; and thus give the best of our creativity and technical expertise in conceptualizing, scripting, shooting, editing and filling pictures and sounds that make treasures out of the moments you create.

“Great images come from the photographer’s vision, emotion and perspective rather than just technical skill or equipment”
